REGISTERED CONTRACTOR TERMS AND CONDITIONS

Sustainable Energy Utility, Inc., d/b/a Energize Delaware (“Energize Delaware”), as statewide program administrator of the Delaware Voluntary Clean Energy Financing Program (“Commercial Property Assessed Clean Energy” or “C-PACE”), maintains a list of service providers that have registered to participate in the program. Each registered contractor/project developer (“contractor”) agrees to the following:

Each registered contractor shall (a) provide true, accurate, current and complete information as prompted by the registration form when registering; and (b) update and maintain the truthfulness, accuracy and completeness of such information. Registered contractors are not verified, vetted, endorsed or ranked. Energize Delaware reserves the right to remove a registered contractor from the database for any reason or no reason.

The registered contractor shall be and remain licensed, authorized to conduct business, and in good standing in all jurisdictions in which it conducts business, including the State of Delaware, and shall have the legal authority and power to offer, sell and/or install improvements that are permanently affixed to real property (“Improvements”). Each registered contractor shall comply with all applicable municipal, state and federal laws and regulations in the sale, provision, installation and financing of Improvements and professional services. Energize Delaware, its directors, officers, employees, and vendors make no assurance that any person or entity will gain additional business or any other business advantage from being a registered contractor and assumes no liability. Each registered contractor waives the right to bring or assert any claim against Energize Delaware, its directors, officers, employees, and vendors relating to its registration and status as registered contractor (including listing of information), and releases, remises and forever discharges Energize Delaware, its directors, officers, employees, and vendors from any and all liability therefore or relating thereto.

By submission of this Registration Form, each registered contractor agrees that information provided on this form may be published or otherwise publicly disseminated. Although Energize Delaware does not claim ownership of any of the information, by providing information for the Registered Contractor database, each registered contractor automatically grants, and each registered contractor represents and warrants, that registered contractors have the right to grant to Energize Delaware an irrevocable, perpetual, non-exclusive, fully paid, worldwide license to use, copy, perform, display, reproduce, adapt, modify and distribute such information and to prepare derivative works of, or incorporate into other works, such information, and to grant and to authorize sublicenses (through multiple tiers) of the foregoing. By providing Energize Delaware with information, each registered contractor automatically grants Energize Delaware all rights necessary to prohibit the subsequent aggregation, display, copying, duplication, reproduction or exploitation of the information published or otherwise made available by Energize Delaware by any other party.

Each registered contractor acknowledges and agrees that its registration with C-PACE is voluntary and is no guarantee that contractor will be hired or perform any services in connection with C-PACE. Registration shall not be deemed to imply any representation or warranty on behalf of Energize Delaware, or to create any relationship of employer and employee, or of principal and agent, partnership or joint venture, or create any other fiduciary relationship.

By submitting this form, you represent that you are authorized to act on behalf of the contractor and that the company accepts and agrees to the Registered Contractors Terms and Conditions.
